Fall 2013 Graduating Senior Career Reception

Released: October 25, 2013

On Thursday, October 17, 2013 in the MBA Commons of Alter Hall, the Sigma Chapter held its Annual Graduating Senior Career Reception. This reception was a culmination of months worth of preparation and professional development. In order to attend this reception, students studying Risk Management & Insurance and Actuarial Science had to complete the entire “Road to the Resume Book”. This process includes an interview skills workshop, etiquette workshop, mock interview, and a resume review. Nearly 200 Sigma Chapter members intending to graduating in December 2013 or May 2014 met recruiters and alumni from forty two companies from around the country in hopes of obtaining a full-time position to begin their careers. This was all made possible due to the hard work of our Career Development and Professional Development teams. The following companies were in attendance:
