Fall 2013 graduating senior and President of Gamma Iota Sigma, Sigma Chapter, Regina Ross had the following to say to her fellow graduating seniors:

On behalf of all of the officers and members of the Sigma Chapter is it my pleasure to congratulate you on the completion of your tenure here at Temple University. I trust it has been a challenging yet rewarding experience.

I would personally like to thank you for your participation in our chapter of Gamma Iota Sigma. Each year the Sigma Chapter grows its membership and produces more top level students and offers more top level experiences. Without this growing membership we would be unable to enjoy these opportunities that help better prepare us for the industry and post-graduate life.

I wish you the best of luck personally and professionally. I sincerely hope you can look back on your time as a Sigma Chapter member with warm memories and stay actively involved as alumni. The support of our alumni is of paramount importance to the continued success of the Sigma Chapter, allowing us to grant a seemingly endless amount of opportunities to its members. As alumni, I hope you take advantage of your ability to give future students the same opportunities we have been afforded. I hope you share your inevitable success to better the future of our program.

Sincerely,

Regina Ross, President
