

Σigma Chapter

2013 Summer Internships

Released: Friday, August 30, 2013

The Sigma Chapter of Gamma Iota Sigma is strongly devoted towards developing its members professionally. One of the best methods to cultivate a career in both Actuarial Science and Risk Management & Insurance while still in college is to complete a summer internship. Gamma Iota Sigma would like to congratulate those students that made it through the rigorous interview process and proceeded through the summer of 2013 with an internship experience. The summer internships these members participated in were made possible by Dr. R. B. Drennan, Associate Professor, Chairman and Faculty Advisor of the Sigma Chapter of Gamma Iota Sigma, Assistant Professor Michael McCloskey, and the Sigma Chapter's Career Development officers.
