13th Annual Sigma Chapter Alumni Golf Outing

Released: November 4, 2012

The purpose and mission of Gamma Iota Sigma is to enhance the professionalism of its members. A significant part of that development is done through networking with alumni and industry professionals. In an effort to maintain a relationship with the risk management and insurance industry, as well as with the alumni of Temple University, the Sigma Chapter hosts many events each semester with the specific goal of exposing our students to the professional world.

One such event is the Sigma Chapter's Annual Alumni Golf Outing. The 13th annual event, which took place at both North Hills and Lulu country clubs in North Hills, PA, was bolstered greatly this year thanks to the efforts of the Sigma Chapter's Alumni Affairs officers, Rebecca Mutek and Mackenzie Colburn, with the assistance of an Alumni Involvement Committee consisting of Cassidy Starkey, BBA 1999, Law 2004, Jon Backlund, class of 2006, and Kevin Johnson, class of 2009.

At the completion of the tournament, a networking reception was held where more than forty current Sigma Chapter members met over two hundred industry professionals. Pro Shop gift cards were awarded to the top foursome and the Closest to the Pin Contest winners. Various items including company-donated gifts were either raffled off or available for bid via a silent auction.

We were fortunate to have a beautiful sunny day, which made for excellent golfing conditions. Fifty six foursomes participated consisting of students, industry professionals, and Sigma Chapter alumni representing fifty two companies.
