

PRESS RELEASE

\$58,000 Raised During the 2015 Golf Outing

November 2, 2015

On Monday, October 5, 2015, alums and supporters of the Sigma Chapter and the Department of Risk, Insurance, and Healthcare Management raised \$58,000 during the 2015 Golf Outing.

Split into morning and afternoon shotguns, 59 foursomes played at North Hills Country Club in Glenside, PA. In addition to playing the course, participants had the opportunity to compete in fun golf-games like marshmallow driving, closest-to-the-pin, and putting contests.

The day ended with a dinner reception held at the country club. The reception included a silent auction and raffles, as well as a networking session with Sigma Chapter members.

The event could not have been a success without the Alumni Affairs officers, student volunteers, and the help of alums Cassidy Starkey '99, Jonathan Backlund '06, and Kevin Johnson '09.
