### 30th Semi-Annual Gamma Games

September 26, 2016

At the 30<sup>th</sup> Semi-Annual Gamma Games held on September 21, 2016 in Pearson Gym, Sigma Chapter members were challenged to *Outwit, Outlast, and Outplay* their opponents in the hopes of becoming the ultimate survivor. The over 100 members in attendance were drafted to 1 of 12 teams inspired by the hit CBS television series, *Survivor!* The tribes included Bayon, Solarrion, Fei Long, Mogo Mogo, Matsing, Gitanos, Ulong, Pagong, Malakal, Rotu, Alinta, and Timbira.

This year's games brought with them brand new challenges. Competitors participated in intense games of Blind Balloon Pop, Kartrider, Marble Runner, Simon Says, and Tug of War culminating to the final event, *Dauntless Dodgeball*, where only one team would rise from the shadows.

Mogo Mogo and Ulong were the last two tribes standing as the competition came to a close. However, it was Mogo that reigned victorious. The team chose Francesco Giordano to be their MVP for his outstanding athletic ability and for bringing down the most opponents in a single a game! MVP Giordano was accompanied to victory by his teammates Patrick Cohen, captain, Michael Heimbach, Chris Tronoski, Sean Dent, Chris Knockstead, Jiamei Huang, Ryan Signora, and Matt Moller.
