Risk Management and Insurance Intern Reception

Released: March 1, 2013

On Thursday, February 28, 2013 in the MBA commons of Alter Hall, Sigma Chapter held its Annual Risk Management and Insurance Intern Career Reception. This reception was a culmination of months worth of preparation and professional development. In order to attend this reception, risk management students had to complete the entire “Road to the Resume Book”. This process includes an interview skills workshop, etiquette workshop, mock interview, and a resume review. Nearly 200 Sigma Chapter members studying Risk Management and Insurance met recruiters and alumni from 38 companies from around the country, in hopes of obtaining an internship position for summer 2013. This was all made possible due to the hard work of our Career Development and Professional Development teams. The following companies were in attendance:
