

# PRESS RELEASE

## Risk Management and Insurance Internship Reception

*February 12, 2016*

The Sigma Chapter of Gamma Iota Sigma held its Summer 2016 Internship Reception on Thursday, February 11, 2016 in the 7th Floor MBA Commons of The Fox School of Business. Attendees of the reception are Risk Management and Insurance students seeking an internship for Summer 2016. In order to attend the reception, each student had to fulfill all steps in the “Road to the Resume Book” process, which included attending multiple workshops in professional development. 178 members of the Sigma Chapter had the opportunity to meet with recruiters from 38 different companies between 1:00 pm and 5:00 pm. The continued success of the Sigma Chapter’s Intern Reception would not be possible without the time and effort of both the Career Development and the Professional Development teams. Below is a list of the companies in attendance.

- |                                |                                      |  |
