GAMMA GAMES VICTORS!!

The wars have been tugged and the balls have been volleyed. By far the most popular game of the evening was the pass the orange relay. I'll bet that most of you never thought being so close to your fellow Gammies could ever be so much fun! Further excitement was added to the game by the inclusion of the two local elementary school students who stumbled into Gamma Games and found themselves having the time of their lives. But after the dust had settled, the **Purple Team** arose as the **Spring 2004 Champions of Gamma Games**. The team members battled till the final face was slammed into the pool of sticky whipped cream to secure the victory. The team members of the victorious Purple Team are Dave

Murdock, Anthony Muturi, Joseph Vanderhoff, Sonja Williams, Ori Feibush, Kimberly Burgess, Steven Rudkin, and Margene Usagen. The team will be memorialized with a plaque to be hung in the insurance department. Thanks to all for joining us during this jubilant experience!

MEET THE OFFICERS

LETICIA TROTT—Leticia is a veteran Gamma officer with the Sigma Chapter. After a brief stint with Professional Development, she has spent the rest of her semesters with Student Affairs (formerly Public Relations, if you haven't figured this all out yet). Her partnership with Joe Pizza, her Student Affairs accomplice, began when they both studied last summer in Italy. A native of Bermuda, Leticia has done nothing but shine during her stay in our country. Breaking hearts on the weekends and Valentine's Day fundraising records on the weekdays... Leticia has become known as our "Bahama Mama" (we realize that's not where she's from though).

RISK MGMT INTERN CANDI-

The following two events are exclusively for intern candidates in the field of Risk Management. If you have completed either of these workshops in the past, then it is not necessary to fulfill this obligation again. For more info contact: Julie Smith at jsmith27@temple.edu.

INTERN INTERVIEW WORKSHOP

The Sigma Chapter will be holding an **Intern Interview Workshop on Saturday, February 21, 2004**. This workshop is also very important to individuals looking to obtain an internship this upcoming summer in the field of Risk Management and also for students enrolled in BA 100. As another one of the cornerstone steps in the road to the resume book, this workshop will assist you in the proper way to conduct yourself while interviewing for an internship position. It will be held from **9:30 am to 12:00 am**.

MOCK ETIQUETTE WORKSHOP

On **Monday, February 20, 2004** we will be holding a **Mock Etiquette Workshop**. This workshop is very important for individuals looking to obtain an internship for the following summer (exclusively risk management majors). As the other cornerstone step in the road to the resume book, this workshop will assist you in the correct way to eat in a business environment. No longer will you be in wonder as to which fork is the proper fork and whether you should pass the salt and pepper separately or together. So extend your pinkies proudly and come learn the ins and outs of business dining. It will be held from **4:45 pm to 6:30 pm**.

NEW MEMBER ORIENTATION

On **Friday, February 20, 2004** the first **New Member Orientation** of the Spring 2004 semester will be held in **Curtis 201 from 11:40 to 12:30**. This orientation is a chance for new members to learn about the organization, the many professional and personal benefits the organization offers its members, and the ways to make the most out of membership. The **New Member Orientations** are a great way to figure out where and how to carve out a niche in the Sigma Chapter. Pizza will be served!!
