MEET THE OFFICERS

MILAN DEVETAK—Milan is in his maiden voyage as a Gamma officer where he currently serves as the Director of Management Information Systems (MIS). His main duties are to update our website, manage the listserv, and update Blackboard. Milan is a native of Croatia, which is also the home of the beautiful *Danira Penic*, a fellow Gamma member. He is a Risk Management and HR major. He's quick with a joke or a light of your smoke, but we love him for keeping our Gamma (and in my case personal) computers free from viruses. We're glad that Milan has finally come on board as an officer and we are optimistic that he can fill that large shoes left behind when Dhruwa leaves.
