September 2, 2005

## WELCOME BACK !!!

**Organizational Meeting**  
**Student Center 218**  
**Wednesday, September 7, 2005**  
**11:40 A.M. to 12:40 P.M.**

Once again, Gamma Iota Sigma will open the semester with an **Organizational Meeting, to be held September 7, Room 218 of the Student Center.** Both new and returning members will have the opportunity to enroll in either BA100 or RMI100, along with completing membership applications. Furthermore, each individual in attendance will be given a chance to join the committee of his or her choice. The Member's Handbook will also be distributed, allowing all to see what the Sigma Chapter has planned for the upcoming Semester.

The Distinguished Guest Lecture Series will be held every Wednesday following the Organizational Meeting. The series will accompany a number of professionals from realms of the industry. Some of the topics to be discussed will be Finite Risk, Cat. Modeling, Enterprise Risk Management, and many others.

### BA 100 & RMI 100 INFO. SES-

Please be advised that for those of you who will be enrolling in BA 100 or RMI 100, there is a **MANDATORY** meeting to be held on Friday, September 9, 2005 in Speakman 112. This information session will be held during the free period (11:40-12:30). Dr. Drennan will be going over a number of items that are crucial for those of you partaking in either of these classes. The requirements for the Road to the Resume Book, Community Service Events, amongst other issues will be thoroughly explained. Please make all necessary adjustments to your schedule so as your presence will be made.

### 10 THINGS I LEARNED FROM MY INTERNSHIP

10. Microsoft Outlook is a more complex version of Instant Messenger.
9. You must leave for lunch every day even though you have a cafeteria in your building.
8. The supply closet is much, cheaper than the book store.
7. You can space out for a 20 minutes and still look busy.
6. Taking a bathroom break every half hour makes the day go by much quicker.
5. Happy Hours create really happy evening, but very unhappy mornings.
4. You get your own stapler.
3. Brokers are pushy and arrogant *or* Underwriters are slow and controlling.
2. Your office might be boring, but anything is better than sitting in 95 degree Curtis Hall taking summer classes.
1. Gamma Iota Sigma got me my summer internship and

Think you have a great idea for Risky Business??? Please email Patrick Healey <Patrick.Healey@temple.edu> with any questions, comments, or suggestions.
