# Actuarial Science Corner

## ACTUARIAL SCIENCE AFFAIRS COMMITTEE

The Actuarial Science Affairs Committee is designed to promote participation and retention of actuarial science majors in Gamma Iota Sigma. In addition, there will be corporate presenters that will allow students to gain some insight into the actuarial field. Finally, the committee will communicate with high school students and answer questions they might have about Temple's actuarial science program.

A special thank-you to all of the professors and new students who attended the Actuarial Science Luncheon at The Diamond Club on Friday, September 15th. We look forward to the contributions they will make to our organization.
