ERIC REISENWITZ

**CIGNA INTEGRATED CARE
SENIOR VICE PRESIDENT
WEDNESDAY, OCTOBER 4, 2000
SPEAKMAN 112
11:40-12:30**

Eric Reisenwitz became Senior Vice President of CIGNA Integrated Care in April 2000, with the responsibility for leading the business and associated financial results, and overseeing IntegratedCare's strategic initiatives.

From 1997 to present, Mr. Reisenwitz served as senior vice president of CIGNA International Underwriting & Product Management, with responsibility for the division's underwriting strategies, its international group and employee benefits programs, and its life, accident, credit and disability insurance coverages. Prior to that, he was vice president of CIGNA's former Life, Accident & Health business group in Europe.

JOHN WEDDLE

**RISK MANAGER
GENERAL MILLS
2000 RISK MANAGER IN RESIDENCE
WEDNESDAY, OCTOBER 11, 2000
SPEAKMAN 112
11:40-12:30**

The Risk Manager in Residence program was developed four years ago as an opportunity for individuals in risk management to discuss the field with college students. Sponsored by the Spencer Educational Foundation, Inc., the program has been praised by both risk managers and universities as a rewarding educational experience.

Temple University has the honor of being selected to host John Weddle from General Mills as a Risk Manager in Residence from October 9 - 11.

FEATURED SUMMER INTERN BILL TOLLOK

Year: Junior

Major: Actuarial Science

Company: CIGNA

Business: Global employee benefits provider

Location: Philadelphia, Pennsylvania

Position: Actuarial Associate

Do you want to be a Featured Intern?
 Send a profile of your internship experience like this one to:
Youveak Yeng
 Assistant Secretary
yyeng@astro.temple.edu

Description: Worked in disability pricing for group insurance; worked on reserve buy-outs; built pricing acquisition pricing model for the long term disability product.

How did you get this internship?: "Gamma's resume book helped to get my foot in the door. The mock interview also helped prepare me for the grueling interview process."

Advice to others: "Get involved with Gamma in any capacity possible and fulfill the resume book requirements as soon as possible. My freshman year, I got a late start and didn't get an internship. Last year I started fulfilling my requirements from the beginning and landed myself a great internship. Gamma is a great starting point for your internship search. But you have to be willing to do your part as well. Be active and it will pay off."

Actuarial Science Corner

Actuaries from CIGNA will be coming in for an information session on **Monday, October 16**, in **Tuttleman 101**. The presentation will take place from **11:40-12:30**. Food and drinks will be served. Following last year's Palm Pilot door prize, CIGNA will again be raffling off a piece of electronic equipment. Interested in a future career at CIGNA? Stay till **1:00** and take the opportunity to speak with the CIGNA actuaries in person. Please email us if you have any particular topics or issues you would like addressed at the info session. Hope to see you there!
