**GEORGE HAITSCH, ARM
VICE PRESIDENT
CORPORATE RISK MANAGEMENT
SAP AG**

WEDNESDAY, OCTOBER 6TH AT 11:40

WALK AUDITORIUM

George Haitsch is Vice President of Corporate Risk Management for SAP AG of Walldorf, Germany. He primarily works out of the Newtown Square, PA office. George assumes a leadership role within an enterprise risk management framework with global oversight responsibility for the company's risk financing and risk transfer programs. This includes insurance and alternative structures for all international subsidiaries. He has been with SAP for 4 years in various risk management roles.

Prior to joining SAP, George spent 9 years as a broker and risk management consultant with Aon Risk Services and Alexander & Alexander in various capacities but with a primary focus on executive liability insurance and financial institution and professional services clients. He achieved Excellence Roundtable status as one of the top 200 sales producers in the Aon organization for 1998 and 1999.

George holds a Bachelor of Science in Business Administration from LaSalle University in Philadelphia. He majored in Marketing and minored in Psychology. He obtained a Master of Business Administration in Finance from LaSalle in 1996. George was awarded an Associate in Risk Management (ARM) in 2001. George was a member of Leadership, Inc.'s Class of 2000. He is currently on the Board of Directors for The Delaware Valley Chapter of the Risk and Insurance Management Society (RIMS) and serves as Educational Chair. He has presented at the annual RIMS convention on a variety of technology and professional liability topics. He is Chair of the Tech Industry Risk Forum which is an industry risk management organization of 35 tech companies and is a board member of the Philadelphia Society for the Preservation of Landmarks. He previously served on the Finance Committee to the Council of the Pennsylvania Horticultural Society.

DR. AARONSON

Rumors have been circulating regarding the whereabouts of Dr. Aaronson. It's been said that he went crazy and now lives in the fire stairs somewhere between the 4th and 6th floors of Ritter Annex. His own daughter has been overheard telling people that he and his wife have moved to California to become hippies and thus taken on the typical hippie lifestyles of tree hugging, hitch-hiking, and tie-dye wearing...among other things *wink*wink*. Perhaps the most popular rumor is that Dr. Drennan got scared that Dr. Aaronson would steal his teaching award and had Michelle Henry "take care of him" (How do you think she got his old office???). Truthfully, Dr. Aaronson has been appointed the **Director of The Cochran Research Center** (his office is in Speakman Hall 300). He is also directing the Ph.D. program for Business Administration. He is still a faculty member in the Risk, Insurance, and Healthcare Management Department and will be teaching HM 101 in the Spring. You can count on Dr. Aaronson to attend various Gamma events and you can always send him an email if you would like <william.aaronson@temple.edu>. For more information about Dr. A you can visit his website at www.sbm.temple.edu/crc/bill.html. Also, for information about The Cochran Research Center, you can visit the following website: www.sbm.temple.edu/crc/about.html.

2004 TEMPLE HOMECOMING

As usual, the Sigma Chapter will be sponsoring a booth at the **Homecoming Fall Fest** on **Tuesday, October 5th (10AM-4PM)**. The main attraction at the Gamma booth will be the **Fishbowl Game** (you know, the throw-the-ping-pong-ball-into-the-fishbowl-and-win-a-goldfish game). Be sure to stop by the booth and show your support for Gamma. If you're interested in volunteering your time, send an email to our VP of Student Affairs, Joe Pizza <jpizza@temple.edu> or our VP of Public Relations, Amy VanDerhei <amy.vanderhei@temple.edu>.
