FEATURED SUMMER INTERN TERHI LYYTIKAINEN

Year: Senior

Major(s): Risk Management *and* Human Resources Administration

Company: William M. Mercer, Inc.

Business: Healthcare and Group Benefits Consulting

Location: Philadelphia, Pennsylvania

Position: Healthcare and Group Benefits Analyst Intern

Description: Assisted analysts and consultants in rate analysis, proposals and renewals. My major

project that expanded throughout the summer was to send out an RFP to various vendors in 11 states for a fully insured HMO for a large client. Once I got the proposals back, I summarized the results and worked with the consultant to find the best vendor in each state.

Advice to others: "Do your research for the career fair and then practice ahead so you will be comfortable talking about the companies, yourself and your interests, expectations and goals."
