BOOK DRIVE UPDATE

Congratulations to members of the Sigma Chapter! We have collectively donated over 2,000 books to Philadelphia Inner-city Youth. The Fox School Alumni Association and College Council gathered over 15,000 books to donate on behalf of **James E. Nevels**, Chairman of Philadelphia School Reform and Recipient of the **2004 Musser Award for Excellence and Leadership.** The goal was set at 10,000 books and the Sigma Chapter played an integral part in helping the Fox School meet and exceed this goal. For more information about the Musser Award visit the following website: www.sbm.temple.edu/musser04.

HOCKEY SOCIAL

The Student Affairs Team is bringing GIS members another fun-filled night on **Friday, November 5th** for the **Philadelphia Phantoms hockey game**. The Phantoms are playing their Pennsylvania rivals—the Hershey Bears. Joe Pizza

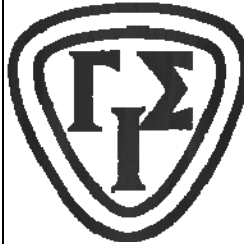

assures us that you “can expect to see fast paced action, hard checking, and intense fighting.”

The game starts promptly at **7:05PM** and **tickets are currently on sale for \$12** in the Gamma Office. Both members and non-members are welcome. We encourage you to respond to the Evite that was sent around last week. Also, we will be taking the subway as a group from Temple’s campus to the Wachovia Spectrum.

Please see **Joe Pizza** <jpizza@temple.edu> if you have any questions.

PROFESSIONAL DESIGNATIONS

As many of you are aware, as members of Gamma Iota Sigma, we are encouraged to prepare for professional exams. To help further the promotion to take exams, the Membership Development Team has developed a **Professional Designation Subcommittee** headed by Dan Reinert <reinert@temple.edu>, our Director of Membership Development. All members who have passed exams are asked to send an email to Dan detailing the specifics of the exam (name of exam, preparation method, acquiring study materials, and expectations).

The subcommittee will eventually have a full listing of those who have passed exams and contact info posted to the GIS website. We will keep members updated on further developments concerning the Professional Designation Subcommittee.

IT'S YOUR FUTURE!
