PHILADELPHIA EXCURSION

Philadelphia Excursion is a multi Gamma Iota Sigma chapter community service event that will take place November 16 through November 18.

We will welcome GIS members from Penn State, University of Pennsylvania, College of Insurance, Howard University, and LaSalle University.

Our weekend will start by fraternizing with our fellow members at Dave & Buster's on Friday evening. Saturday will be spent applying our collective strength building houses and beautifying the North Philadelphia community with Habitat for Humanity and the Philadelphia Inner City Development Project.

Saturday evening is reserved for a fun-filled night of bowling at the Westbrook Bowling Lanes in Gloucester City, NJ.

All Sigma Chapter Members are strongly encouraged to participate in this extraordinary event. Take advantage of this rare opportunity to involve yourself with Gamma on a national level, in addition to working with members from other chapters in performing a tremendous community service.
