INTERVIEW WORKSHOPS & RESUME SUBMISSION

Summer 2001 internship candidates should complete the first step on the 'Road to the Resume Book' before winter break begins! Dianne Fabii from the International Foundation of Employee Benefits will conduct interview workshops on November 28th and December 4th.

The sign-up sheet for each workshop is posted on the Gamma Office door (400 Ritter Annex). There are a limited number of seats available, so don't delay! If you have already completed an interview workshop with Dianne Fabii, you do not have to attend another workshop. For those of you who have not, please sign up as soon as possible because Gamma will only be able to hold a few Spring workshops with Dianne Fabii.

Finally, all internship candidates should submit their resumes online at www.temple.edu/gis before winter break. If you have any questions, please contact:

THANK

YOU

A special thank you to everyone who participated in MANNA's "Pie in the Sky". Gamma volunteers helped to package hundreds of pumpkin pies for homebound AIDS patients for Thanksgiving. This was a fun project that helped to make the holiday a little brighter for those less fortunate.
