Gamma Iota Sigma would like to take this moment to say **THANK YOU** to all of those general members who participated in this semester. Your support permits GIS to remain one of the largest and most productive organizations on the Temple University main campus.

The Fall 2001 semester filled the Gamma ranks with countless new faces and a variety of fun-filled activities. This Semester's theme was **COMMUNITY SERVICE** and our members shared in this vision on numerous occasions. Our outstanding events included **PHILADELPHIA CARES DAY**, **PHILADELPHIA AIDS WALK**, **RONALD MCDONALD HOUSE**, and **PHILADELPHIA EXCURSION**.

Additionally, we want to extend an enormous thank you to all of those **FEATURED SUMMER INTERNS**. The experiences that were relayed over the course of the semester added real value to the publication and may help others to see the results of so much hard work. Lastly, we want to express our deepest appreciation for all of those **COMMITTEE MEMBERS** who helped us maintain our tradition of excellence.
