# A LETTER FROM OUR PRESIDENT AARON HILL

Dear Members,

Welcome to another exciting semester with Gamma Iota Sigma at Temple University! I hope all of you had a fantastic summer.

Our officer core has been working diligently over the summer preparing an extraordinary array of workshops, events, social and community activities. Our Industry Relations team has been completely revamped to bring you more interaction with the industry. The Membership Development team has worked hard to bring you a full assortment of weekly enrichment workshops designed to help you become better professionals in both risk management and insurance and actuarial science. And, we have more social events than ever before. I believe our officers have planned a remarkable semester that looks to be the best.

Our signature event, the H. Wayne Snider Distinguished Guest Lecturer Series, has been growing over the past few years and promises to be better than ever. We are bringing in a more diverse group of speakers from a multitude of different businesses. This semester our speakers included risk managers, consultants, presidents, and chief executive officers.

The Sigma Chapter has a long and storied tradition within the Fox School of Business at Temple University – last year we celebrated our 26th anniversary. Each year we continue to grow as well as enhance our standing throughout the entire insurance community by producing top notch graduates and internship candidates. I strongly encourage you to help in our continuing quest for excellence by joining committees, participating in our social, professional, and community events, and attending our Speaker Series.

I have put my numbers in this letter for a reason – if for any reason you ever have any questions or concerns, do not hesitate to contact me!

Here's to a great semester, and I look forward to serving all of you!

Sincerely,

Aaron Hill  
President

BA 100 & RMI 100 Orientation  
Friday, September 7, 2007  
11:40-12:30pm  
Student Center, Room 200C

For anyone enrolling in BA 100 or RMI 100, this meeting is mandatory. Dr. Drennan will go over several crucial items. In addition, he will cover resume book requirements, community service requirements, and various other issues.

First Organizational Meeting  
Wednesday, September 5, 2007  
11:40-12:30pm  
Ritter Hall Annex, Walk Auditorium

Gamma Iota Sigma is starting the semester off with an Organizational Meeting. New and returning members can enroll in the BA 100 or RMI 100 courses, as well as update membership applications. Everyone will also have the opportunity to join a committee of his or her choice. Additionally, the Member Handbook will be distributed to everyone, showing off every upcoming event that the Sigma Chapter has planned for the Fall '07 semester.

Gamma Games  
Wednesday, September 26, 2007  
6:00-9:00pm  
Pearson Hall

The semi-annual Gamma Games makes its triumphant return. Get involved with your fellow friends and watch each other succeed or fail miserably (in a suitably entertaining fashion). The winning team will receive a prize of some sort. Email Chelsea Balerno with questions or misgivings at: [CBalerno@gmail.com](mailto:CBalerno@gmail.com)

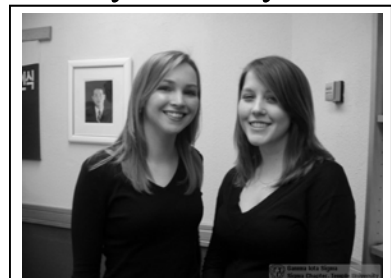

## Feast your eyes on the celebratory revels of yesteryear!

Re-enact first-hand the events in the book "Holes"!

Make relationships!

Make... more relationships!

This is actually more fun than it looks like.

Someone's enjoying it at least.

Lose money!

Face your worst fear: professional bellydancers.
