Risky Business

VOLUME XXIX, ISSUE I

AUGUST 29, 2012

It is with great pleasure that I take the opportunity to serve as your president, and I am happy to welcome you back to Temple! Our group of dedicated officers has worked hard throughout summer break in preparation for what will be yet another exciting and productive semester for the Sigma Chapter. We are all dedicated to providing you with excellent professional and career development opportunities. In addition to these opportunities, we look forward to meeting you at our signature social events such as Gamma Games and our cultural potluck.

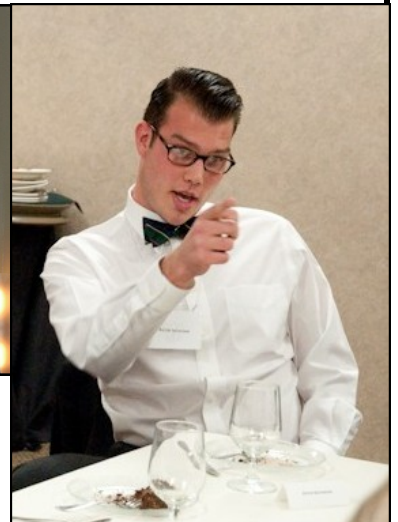

The H. Wayne Snider Distinguished Guest Lecturer Series returns this semester with a strong cast of speakers from the insurance, risk management, and actuarial science industries. We are proud to present the opportunity to learn from top industry professionals from around the country with experience and expertise in various disciplines.

I trust that you are as excited about this semester as I am. As we all make our journey towards successful careers, trust that the Sigma Chapter is dedicated to continuing a tradition of excellence in the Fox School of Business and Management. As your president, there are sure to be some new faces for me to learn, please do not hesitate to introduce yourself, ask questions, or simply say "hello."

I wish you all the best of luck this semester!

Fraternally Yours,

Kevin M. Severson
President

Graduating Senior

Rooms TBA

More details to follow

Professional Photographs are Wednesday, September 19, 2012, RIHM Department, 6th Floor, Alter Hall

Pictures of all RMI and Actuarial Science majors will be taken by a professional photographer on September 19, 2012. These pictures will be used to generate a members yearbook as well as bulletin boards listing scholarship winners, exam passers and interns. This is a mandatory step if you want to be listed in the resume book. More details to follow.

Friday, September 14, 2012 - 12-12:50PM

TBD

Gamma Games

Wednesday, September 19, 2012 - 5:30-8PM

Pearson 145

BA 2101—

As a candidate for a BBA degree, you are required to take BA 2101—Professional Development Strategies. This is a one credit hour course. As a major in RMI or Actuarial Science, you can satisfy this requirement by:

Taking a special section of BA 2101 specifically designed for RMI/AS majors who are also members of GIS.

Students in this option will satisfy their professional development requirement through participating in various activities within GIS. The requirements of BA 2101 through Gamma are as follows:

- Attend the weekly speaker series each Wednesday from 12:00-12:50PM.
- Join a committee in Gamma and attend the weekly meetings. Meetings are held every other Monday from 12:00-12:50PM.
- Satisfy the requirements to be included in the GIS Resume Book.
- Attend a one-half day Professional Development Workshop given by the Fox School on a Saturday from 9AM—12 noon. If you have been CSPD'd through the Fox School and have proof of this, you need not fulfill this particular requirement.
- Sign up at first organizational meeting.

RMI 3682—

GIS is able to offer a one-credit hour independent study in Professional Development. This course may be taken by both RMI and Actuarial Science majors and can be taken more than once. This course satisfies a business elective. If you have taken BA 2101 through the Fox School or through GIS, you are eligible to take RMI 3682. The requirements of RMI 3682 are:

- Attend our weekly H. Wayne Snider Speaker Series each Wednesday from 12:00-12:50PM.
- Attend one of our Community Service Events during the fall semester.
- Sign up at first organizational meeting.
