Dear Members,

Welcome back! I am truly grateful for the opportunity I have to serve as your president, and I am pleased to welcome you back to Temple University after what I hope has been an enjoyable and productive summer break. For the past several weeks, our group of 35 officers has been working tirelessly in anticipation of what is sure to be another worthwhile and remarkable semester for each of you in the Sigma Chapter.

You can expect an abundance of career and professional opportunities throughout the coming months, while we uphold our tradition of community service involvement and high academic achievement among our members. Please remember that each of these events is for the purpose of your professional and personal development; to prepare you for a successful career.

The H. Wayne Snider Distinguished Guest Lecturer Series returns this semester featuring many top professionals in the insurance, risk management, and actuarial industries. We are proud to once again present you with the tremendous chance to learn from these industry leaders' unique perspectives and expertise in various disciplines.

I hope you are all as ready as I am to tackle this semester head on! As we begin this trek, take comfort in knowing that the Sigma Chapter remains dedicated to its tradition of excellence, and to your success in the risk management, insurance, and actuarial industries. Do take advantage of the growth opportunities these next months will provide you. I look forward to seeing veterans of the Sigma Chapter and meeting new members. Feel free to stop me and chat anytime throughout the semester. I wish you the best of luck and Godspeed in your academic and career pursuits!

Fraternally yours,

Steven J. Costa
President, Fox-2015

First Organizational Meeting

Wednesday, September 3, 2014, 12 PM-12:50 PM – Alter Hall 031

Please join us on Wednesday, September 3, 2014 for the first Gamma Iota Sigma organizational meeting of the Fall 2014 semester! Attendance is highly recommended as we will be discussing important information about the many exciting events and opportunities happening this semester.

BA 2101 & RMI 3682

BA 2101—

All undergraduate students in the Fox School of Business and Management are required to take the one-credit hour course, BA 2101– Professional Development Strategies. Both Actuarial Science and RMI majors have the option to enroll in a special, GIS-administered section of BA 2101 to fulfill this requirement. To complete BA 2101 through GIS, students must:

- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12 PM–12:50 PM.
- Join a committee within GIS and attend meetings held every other Monday from 12 PM–12:50 PM.
- Meet the requirements to be included in the GIS Resume Book.
- Attend a half-day BA 2101 Workshop sponsored by GIS.

RMI 3682—

GIS offers another one-credit hour independent study course in professional development. Actuarial Science or RMI majors who have completed BA 2101 (either through GIS or Fox) are eligible to enroll in this course. To complete RMI 3682, students must:

- Attend the H. Wayne Snider Distinguished Guest Lecturer Series each Wednesday from 12 PM–12:50 PM.
- Participate in one GIS community service event during the semester.

To enroll in either BA 2101 or RMI 3682, students must sign up during the first organizational meeting (Wednesday, September 3, 2014). Students must also attend orientation for BA 2101/RMI 3682 on Friday, September 5, 2014 from 12 PM–12:50 PM in Alter 031. The course syllabus will be distributed at this orientation and there will be a contract that must be signed.
