TEMPLE UNIVERSITY, FOX SCHOOL OF BUSINESS, DEPARTMENT OF RISK, INSURANCE AND HEALTHCARE MANAGEMENT

## The Premiere Spring 2009 Issue

### A LETTER FROM OUR PRESIDENT KEVIN JOHNSON

Dear Members,

Welcome to another exciting semester with the Sigma Chapter. Although it seems like we just left for holiday break, a lot of events have taken place since that time. We have a group of 24 officers that have been hard at work throughout their break planning events, workshops, and social activities for you. As the leaders of this organization, we are here to serve all of you and assist in your professional development.

We are at the beginning of an exciting time for the Sigma Chapter. Our offices have officially moved to Alter Hall on the 6th Floor. The Alter Hall auditorium will be the home of our weekly speaker series for many years to come. Furthermore, Sigma Chapter will host the Gamma Iota Sigma Annual Management Conference in October 2009. Planning for this event is well underway. If you are still a student at that time, this will be a very exciting event for our chapter.

Our H. Wayne Snider Distinguished Guest Lecture Series is complete with top professionals from the insurance and risk management industry. You will hear from a CEO of a Berkshire Hathaway subsidiary, the President of the CPCU Society, and many more exciting individuals. I am thrilled to be able to present this speaker series to you and hope that you will come out and stay involved with our chapter!

Below is my contact information. If you ever have questions or concerns, please do not hesitate to contact me. Enjoy the semester!

Best Wishes,

Kevin Johnson
