## Welcome Back, Members!

It is with great pleasure that I take the opportunity to serve as your president, and I am happy to welcome you back to Temple! Our group of dedicated officers has worked hard throughout winter break in preparation for what will be yet another exciting and productive semester for the Sigma Chapter. We are all dedicated to providing you with excellent professional and career development opportunities. In addition to these opportunities, we look forward to meeting you at our signature social events such as Gamma Games and our cultural potluck.

The H. Wayne Snider Distinguished Guest Lecturer Series

returns this semester with a strong cast of speakers from the insurance, risk management, and actuarial science industries. We are proud to present the opportunity to learn from top industry professionals from around the country with experience and expertise in various disciplines.

I trust that you are as excited about this spring semester as I am. As we all make our journey towards successful careers, trust that the Sigma Chapter is dedicated to continuing a tradition of excellence in the Fox School of Business and Management. As your new president, there are sure to be some new faces for me to learn, please do not hesitate to introduce yourself, ask questions, or simply say "hello."

I wish you all the best of luck this semester!

Fraternally Yours,

Kevin M. Severson  
President  
FOX—RMI
