Charity of Choice: ESF Dream Camp

At the beginning of the Fall 2012 semester, the Sigma Chapter of Gamma Iota Sigma names ESF Dream Camp its Charity of Choice for the 2012-2013 academic year with a goal of donating \$7,500. Since that announcement, we have increased our donation goal to \$10,000. Our Community Affairs Committee managed to meet this ambitious goal with the help of members, faculty, and alumni by organizing bake sales, raffles, Penny Wars, and charity social events like our annual Date Auction and Beef 'N' Beverage. The \$10,000 dollar donation will be presented to ESF Dream Camp at this Wednesday's meeting, April 24, 2013, following Sue Schick's lecture. The donation will help the charity to improve their award winning program that provides education, sports and fun to help encourage kids to achieve their dreams!

Graduating Senior Send Off - Regina Ross, President

On behalf of all of the officers and members of the Sigma Chapter it is my pleasure to congratulate you on the completion of your tenure here at Temple University. I trust it has been a challenging yet rewarding experience.

I would personally like to thank you for your participation in our chapter of Gamma Iota Sigma. Each year the Sigma Chapter grows its membership and produces more top level students and offers more top level experiences. Without this growing membership we would be unable to enjoy these opportunities that help better prepare us for the industry and post-graduate life.

I wish you the best of luck personally and professionally. I sincerely hope you can look back on your time as a Sigma Chapter member with warm memories and stay actively involved as alumni. The support of our alumni is of paramount importance to the continued success of the Sigma Chapter, allowing us to grant a seemingly endless amount of opportunities to its members. As alumni, I hope you take advantage of your ability to give future students the same opportunities we have been afforded. I hope you share your inevitable success to better the future of our program.

Sincerely,

Regina Ross, President
