Eric Hutcherson is the Human Resources Leader for Marsh's U.S. & Canada Division comprising more than 10,000 colleagues. ## Gamma Semi-Annual Cultural Pot Luck Thursday, April 10, 2014 - 5:30-7PM - Samsung Room

The Sigma Chapter's Cultural Pot Luck is a semi-annual social event where students can enjoy and learn about the cultural backgrounds of their fellow members. Attendees are encouraged to bring a dish that is representative of their cultural background or to come try a variety of different foods. Those who prepare a dish will be asked to describe what they bring and how it is cultural significance. Those who wish to come, but are unable to prepare a dish are asked to contribute a small donation of \$2 to our Charity of Choice, For Pete's Sake.

## RMI Friday Workshop: Intern Presentations Friday, April 11, 2014 - 12-12:50pm - RMI: Speakman 112

The "Intern Presentations" feature students' presentations on their summer internships. It is very important to get the facts from a third party in addition to the company's information when considering that company's offer. Students will discuss their responsibilities as interns, the perks and drawbacks of the intern programs, and how they got their internships followed by an evaluation of their overall experience. There will also be plenty of time for the presenters to answer questions that members might have. Allow this workshop to reinforce what you'll need to know and expect this summer for your internship.

## Act Sci Friday Workshop: Bob DiRico – ING Friday, April 11, 2014 - 12-12:50pm - Speakman 113

During this unique workshop for Actuarial Science students, Bob DiRico will discuss the importance of quality in various faces of the actuarial work.
