Actuarial Science Workshop: Excel Friday, April 17, 2015, 12 PM-12:50 PM, Alter 035

Excel is the most common software used by actuaries in the industry. As you progress in your actuarial career, you will quickly realize how vital this software is to the profession. In this interactive and engaging workshop, you will be shown important and frequently used functions that will be valuable in your internships and full-time positions.

RMI Workshop: Professional Designations Friday, April 17, 2015, 12 PM-12:50 PM, Alter 033

The CPCU and CEBS designations are two of the most popular and well-regarded designations in the insurance industry. This workshop will discuss the process for attaining this designation. In addition, we will also hear from individuals who have passed some of these exams.

27th Annual Awards for Excellence Dinner Wednesday, April 15, 2015, 5:30 PM- 9PM, Hyatt at The Bellevue, 200 S Broad St.

On Wednesday, April 15, 2015, the Fox School's Department of Risk, Insurance and Healthcare Management along with Sigma Chapter of Gamma Iota Sigma will celebrate our tradition of outstanding excellence. The Awards for Excellence Dinner will be a great opportunity to honor the hard work and dedication of deserving students along with bringing together alumni of our program. Companies who support Sigma Chapter and all of its activities will be sponsoring tables, giving students the chance to speak with leaders in the insurance industry. The Keynote Speaker for this esteemed event will be Patrick Gallagher, Chairman and CEO of Arthur J. Gallagher and Co.

The Sigma Chapter of Gamma Iota Sigma will hold its 24th Annual Gamma Gala on Friday, April 24, 2015 at the Sonesta Hotel. At this annual event, new members will be inducted into the Sigma Chapter and members will be recognized for their academic excellence and outstanding involvement in Sigma Chapter activities.

THE H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES PRESENTS:

Peter Kilmartin, Jr., JD

**Partner
Mercer**

Wednesday, April 15, 2015, 12 PM-12:50 PM, Alter Hall 031

Peter Kilmartin serves as the Client Solutions leader for the Mercer Health & Benefits LLC Business and a member of its North America Leadership Team. Being at Mercer for twelve years and now a Partner in the firm, he is responsible for developing and managing Mercer's relationship with several major clients, providing strategic advice and orchestrating the delivery of a broad range of specialized services. He also serves as a national resource, working with others within Mercer to ensure consulting solutions are developed and positioned to effectively meet the needs of clients. Finally, Peter serves in an Executive Sponsor capacity for major carrier relationships.

Peter has a lead role on a number of client teams, working to align a company's benefits strategy with that of its company business goals. He also works closely with clients in executing the agreed upon strategy to generate the desired activity and results. Health Reform has become a regular part of Peter's client work and recent client engagements have included benefits integration, strategy redesign, consumerism analysis, data analytics, and management of complex bidding and negotiations. Peter actively contributes to a number of specialty practices, translating specialized subject matter into relevant business advice. He closely monitors external market trends, the evolving vendor landscaper and the dynamic regulatory environment.
