RMI Workshop: Intern Presentations

Friday, March 25, 2016, 12:00 PM–12:50 PM, Alter Hall Room 033

The “Intern Presentations” workshop feature students’ presentations on their summer internship experiences. It is important to get to hear from a third party when considering working for that company. Students will discuss their responsibilities as interns, the perks and drawbacks of the intern programs, and how they got their internships. There will also be plenty of time for the presenters to answer questions that members might have. This workshop will provide great insight into the internship process as you will be interviewing for potential positions in the following weeks of the semester. Our presenters will be Miriam Ehrlich, Johnson, Kendall & Johnson; Veena Kanumalla, Trion; and Matthew McKenna, NSM Insurance Group.

Actuarial Science Workshop: Basic Excel Training

Friday, March 25, 2016, 12:00 PM–12:50 PM, Alter Hall Auditorium 031

Excel is the most common software used by actuaries in the industry. As you progress in your actuarial career, you will quickly realize how vital this software is to the profession. In this interactive and engaging workshop, you will be shown important and frequently used functions that will be valuable in your internships and full-time positions.

2nd Annual Fox’s Got Talent!

Thursday, March 24, 2016, 7:30 PM–10:30 PM

Howard Gittis Student Center—Room 200B

The Sigma Chapter of Gamma Iota Sigma is proud to once again host the annual Fox’s Got Talent! This event is a Fox-wide talent show with the goal of bringing the SPO community together while uncovering the hidden talents of Fox students! It is sure to be an entertaining night filled with singing, dancing, and various other acts. Take a break from studying and come support your fellow Fox SPO members!

*Please note: Acts will receive 10 Immersion points and attendees will receive 5 Immersion points. This event is also **Student Engagement Point** eligible.*

Please email Austin Greisler (austin.greisler@temple.edu) or Elaine Adamsky (elaine.adamsky@temple.edu) if you have any questions!

THE H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES PRESENTS:

Mark Rosenberg

Area President, Healthcare Analytics

Arthur J. Gallagher & Co.

Wednesday, March 23, 2016, 12:00 PM-12:50 PM, Alter Hall 031

Mark Rosenberg is the Area President of Healthcare Analytics, a division of Gallagher Benefit Services, Inc. Mark has over 28 years of experience in employee benefits consulting, as well as data analytics, healthcare actuarial analysis and underwriting. In addition to being the project management leader, Mark consults directly with clients on topics such as approaches to costs savings, population health management, and PBM analyses. He also actively contributes to the organization's product improvement process to create new consulting approaches and tools.

Mark provides senior oversight to the staff and the clients served by Healthcare Analytics. In this role, he enables his clients to accurately and quantitatively monitor and manage their health plan experience and to manage their plans' outside administrative vendors by facilitating a wide variety of actuarial and analytic services. Mark earned his bachelor's degree in Economics/Finance from Rutgers University in New Brunswick, New Jersey.
