RMI Workshop: Career Paths in EB

Friday, February 3, 2017

12:00pm-12:50pm

Alter 34

This workshop is a great opportunity for any Sigma Chapter Member who may be interested in the Employee Benefits Risk Management track, but is unsure of the career opportunities that it may offer. Allison Russell, Class of 2014, from Lincoln Financial and Brian O'Malley, Class of 2006, from Willis Towers Watson, will be speaking about not only job opportunities in the industry, but also the every day responsibilities of many different positions. This will help students differentiate a career in the Employee Benefits and Property/Casualty fields.

Committee Meetings Start Monday, February 6, 2017

Committee sign ups were held at the first organizational meeting on January 25, 2017.

Committees meet every other Monday at 12:00pm-12:50pm

FEBRUARY 2017 MEMBER SPOTLIGHT

Christopher Ryan Hamil

Actuarial Science

Christopher Ryan Hamil is an Actuarial Science student graduating in May 2018. He has participated in Gamma's Student-Mentorship program and is an active member of the Actuarial Science Career Development Committee. As a student, his favorite classes have been Probability and

Statistics I with Professor Moore and Intro to Risk Management with Professor Dormuth. He is also a representative for Temple's International Student Association. Outside of the classroom, he enjoys volleyball and basketball. Fun fact- Christopher has a rich knowledge of fruits and vegetables!

Congratulations on being our Actuarial Science Member Spotlight for February!

Lady Carmela Robinson

Risk Management and Insurance

Lady Carmela Robinson is a Risk Management major with a minor in Legal Studies graduating in May 2018. As an involved member of Gamma, she has taken part in the Student-Mentorship Program, Alumni Mentorship Program, and is a member of the RMI Property and Casualty Career Development Committee.

Last summer, she interned in a rotational underwriting position at Chubb in Bermuda. She also has plans to sit for her CPCU 500 exam during the semester. At Temple, Lady Carmela is the President of the Alpha Sigma Rho Sorority, Inc. and Vice President of the Multicultural Greek Council. Outside of the classroom, she enjoys traveling, dancing, and volunteering. Congratulations on being our Risk Management Member Spotlight for February!

THE H. WAYNE SNIDER DISTINGUISHED GUEST LECTURER SERIES PRESENTS:

Fran O'Brien

Division President, North America-Personal Risk Services

Chubb

Wednesday, February 1, 2017, 12:00 PM-12:50 PM, Alter Hall 31

Fran O'Brien started her career at Chubb as an actuarial trainee. Working in the Actuarial Department for 5 years, she achieved the position of Senior Pricing Specialist for personal insurance. Her other roles have included Product Development Manager for the MASTERPIECE product, Personal Automobile Underwriting Manager, and International Property Underwriting Manager. In the late 1990s as the year 2000 approached, she was asked to manage the Business Resource Group in the Chubb Personal Insurance business unit.

In January, 2016, Fran became Division President, North America Personal Risk Services where she is responsible for property and casualty insurance products for individuals and families with fine homes, automobiles, art, jewelry, watercraft and other valuable possessions. Fran also serves as the corporate sponsor of the Future Leaders Network Employee Resource Group. She is a graduate of Villanova University with a degree in Mathematics.

THE BONNIE AVERBACH DISTINGUISHED GUEST LECTURER SERIES PRESENTS:

Nancy Braithwaite, FCAS, CPCU, MAAA

President, Casualty Actuarial Society

Second Vice President and Actuary, Travelers

Friday, February 3, 2017, 12:00 PM-12:50 PM, Alter 31

Nancy is currently President of the Casualty Actuarial Society (CAS). She is a member of the American Academy of Actuaries and a CPCU. Nancy has served in numerous volunteer positions for CAS, including VP Marketing and Communications, and she has co-authored a paper on General Liability Ratemaking.

Nancy is a Second Vice President and Actuary in the Excess Casualty Department at Travelers Insurance Co., where her responsibilities include planning, large account pricing, and training and underwriter support related to pricing and rate adequacy monitoring. She has been with Travelers for over 10 years.

Nancy has over 30 years of experience in the insurance industry, including 19+ years with a major industry services organization. She has extensive experience in the development of loss costs and policy forms for industrywide use, as well as specialty lines experience in pricing, planning and reserving. Nancy holds a BA in Mathematics and Computer Science from New York University.
